

Summer Intern Architect or Interior Designer

About the job

Shapiro & Company Architects is a growing, award-winning residential design firm looking for a Summer Intern to join our Memphis office. Our team is a well-respected, client-centric group that thrives in a collaborative environment. Our work includes architectural and interior design for high-end custom, multi-family, mixed-use, and speculative homes. If you are passionate, creative, and looking to spend your summer building a portfolio of architectural experience that will springboard you into a career, this is the place for you!

Requirements:

- Pursuing a degree in Architecture or Interior Design from an accredited university
- Familiarity with AutoCAD, Revit, SketchUp, Microsoft Office, Adobe Creative Suite and/or other graphics software.
- Passion for residential architecture
- Motivated by excellence
- Outgoing, personable, energetic, great communicator, and professional demeanor
- Strong time management and organization skills
- Ability to work well with firm staff and leadership

Responsibilities:

- Collaborate as part of a team and work on a wide range of projects through all phases of design and construction
- Assist in producing accurate technical drawings, documents, and project specifications
- Participate in staff development activities
- May perform other duties as required

If you have the qualities that match our firm culture and want to enjoy working with your fellow team members, we look forward to hearing from you. We offer a competitive salary, benefits and promote professional development.
